He showed that the language was an early form of Greek. From archaeological findings we know that the gently sloping hill of Tiryns was continuously inhabited from Neolithic times to Late Antiquity.

### Mycenae

Both the porch and the main portion of the megaron had floors of painted stucco with borders of gypsum slabs and with frescoes on the walls, one apparently representing a battle in front of a citadel. It is the chief Late site in mainland. Publisher Information The Archaeological Institute of America AIA promotes archaeological inquiry and public understanding of the material record of the human past to foster an appreciation of the roots of our shared humanity.

### Homeric and Mycenaean Burial Customs on JSTOR

Few have better expressed the tumultuous rise and fall of civilisations than the Epic poets of antiquity, whose works combine elevated, poetic language with universal themes of war, betrayal, romance, adventure and religious belief. Away from the tourist routes, many are not able to appreciate that behind these stones hides a life so often longed for.
