this entry. The rural areas faced many difficulties opening and maintaining public schools.

### Reconstruction

Many of these Unionists had not only opposed secession but subsequently continued to support the Union, many fleeing the state during the war. Georgia was first readmitted to the U. With cotton, wool became a major export.

### America's Reconstruction: People and Politics After the Civil War

Grant's support helped Davis to get the Black vote.

### America's Reconstruction: People and Politics After the Civil War

Former Congressman , a Black Republican leader from Mississippi, later wrote: The argument made by the taxpayers, however, was plausible and it may be conceded that, upon the whole, they were about right; for no doubt it would have been much easier upon the taxpayers to have increased at that time the interest-bearing debt of the state than to have increased the tax rate. Now lacking land, most formerly enslaved persons were forced to return to working on the same plantations where they had toiled for generations.

### Reconstruction (1968)

The greatest social change involved the state's Black population. By April 1863, Lincoln was successful in sending Black colonists to as well as 453 to in Central America; however, none of the colonies were able to remain self-sufficient. Beginning with the 1871 elections, the party encountered one defeat after another; it was never able to recover.

### **Reconstruction (1968)**

It guaranteed the federal war debt would be paid and promised the Confederate debt would never be paid. It was a catalyst to mayhem.
