### The Domari Language of Aleppo (Syria)

Peter follows Simon from place to place, counteracting his sorceries, and instructing the people. Several kinds of augury are mentioned in the Old Testament, and in some cases without explicit condemnation. The progress of the Hebrews from the insight of the seer to the statute of the lawmaker was not different from such progress in any other nations.

### The Domari Language of Aleppo (Syria)

The fact that the goat is accompanied by somebody and that it is to be taken to an uninhabited place is to indicate the absolute impossibility of its return, i. Sibboleth sib 'ō - leth סִבְלֶת , šibbōleth. It was sometimes necessary to establish a fortified camp, like that of Sennacherib at Lachish to guard against sorties by the defenders.

### Shittah Tree; Shittim Wood

Specimens of early Egyptian and Babylonian silver work testify to the skill of the ancient silversmiths. The modern Birket es - Silwān is but a poor survivor of the fine pool which once was here.

### The Domari Language of Aleppo (Syria)

There are very persistent traditions that great topographical changes took place around the south end of the Dead Sea in connection with the destruction of Sodom and Gomorrah, while the opinion has been universally prevalent among the earlier historical writers that the site of Sodom and Gomorrah is beneath the waters of the Dead Sea. He accepts its truth and recognizes his obligation to allow it to determine his conduct. This antiquarian find makes it probable that Jstin was mistaken in what he said about a statue having been erected in honor of Simon Magus.
