Official Histories of the First World War

I, From the outbreak of the war to the formation of the Canadian Corps, August 1914 - September 1915.

Canadian Expeditionary Force, 1914

Despite the patient's misery, conditions normally subsided within days and he would be discharged to duty on the third day. I, From the outbreak of the war to the formation of the Canadian Corps, August 1914 - September 1915.

Official history of Canadian Forces in the Great War 1914

This General Order was becoming a real mystery! In April, 1918, when the demand for men became urgent, an allocation board was set up for the duty of examining all men of low category, and assigning them to tasks that were suitable for their capacity.

Researching Canadian Soldiers of the First World War

The main British attack was made in the difficult rolling country south of the Scarpe, six divisions of the Third Army advancing on a front of 11,000 yards. Sources: Canada's Army: Waging War and Keeping the Peace.

Canadian Great War Project

McAvity, Bridgens Limited, Toronto, 1947.

Official Histories of the First World War

Since water levels in this region lay close to the surface, trenches were shallow and consisted more or less of parapets formed by clumps of grass and sandbags. Statistics; Casualties from Disease and Wounds, and Deaths The Official History of the Canadian Forces in the Great War; The Medical Services provides the following statistics.

Salisbury Plain

Quite simply, if the British Army to the right managed to break through, the Canadians stood ready to advance under British orders. It was very simple in its early days, and through the efforts of enthusiastic volunteers has grown to be a significant resource for researchers interested in Canada's involvement in the First World War.
