The highly decorative script was distinguished by its complexity of line and by the close juxtaposition of the within words.

### **history of the ottoman empire : définition de history of the ottoman empire et synonymes de history of the ottoman empire (anglais)**

Society . . . One of the successes of the was the unity that it brought about among its highly varied populations through an organization named as millets. The provincial capitals Apart from the Ottoman court, there were also large metropolitan centers where the Ottoman influence expressed itself with a diversity similar to metropolises of today: , Skopje, Thessaloniki, Dimashq, , , Makkah were other cities that had their own examples of Ottoman diversity, with their own small versions of Provincial Administration replicating the culture of the Ottoman court locally. As the Ottoman Empire gradually shrank in size, some 7—9 million Muslims from its former territories in the Caucasus, , Balkans, and the islands migrated to Anatolia and.
