## Trends in Probation and Parole in the United States

The Department Overview is available as a PDF Document by clicking on the link

below: DIRECTOR'S OFFICE The Director is the chief administrative officer of the Department and is responsible for the overall operation of and strategic planning for the Department.

## About Us

Michigan State Industries, which is responsible for the overall control, management and supervision of prison industry programs. The overall state of the economy contributes to the less than rosy picture as all levels of government are experiencing fiscal stress to some degree and money is generally tight.

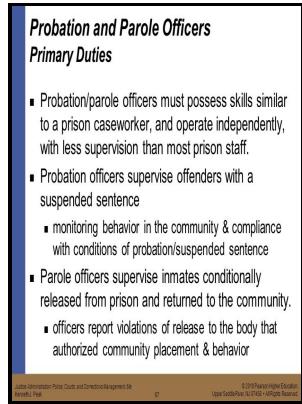

## CORRECTIONS

Implications Collaborations and partnerships would seem to be an easy and smart thing to do. There are testable success criteria for each guideline. The Labor Relations Section, which is responsible for responding to staff grievances and unfair labor practice charges and representation of the Department at related conferences, hearings, arbitrations and contract disputes.

## Probation and Parole Services

The effort was designed to assist people who deal with various barriers to finding employment. Lastly, probation and parole agencies began to enter into formal partnerships with other agencies to provide more comprehensive supervision for these offenders.

## About Us
