## Foreign Military Sales and Security Assistance

FMS includes government-to-government sales of defense articles or services from current Department of Defense DOD stocks or DOD managed contracts.

## The FMS process: LORs, P+As, and LOAs

How does a foreign government initiate a purchase? All SC information that is classified is CONFIDENTIAL unless the DoS, USD P , or the Director, DSCA, directs a higher level of classification, or unless the national security classification criteria of and corresponding MILDEP regulations warrant a higher level of classification for national defense purposes. Image intensifier tubes ordered as spare parts or replacements for destroyed, lost, stolen, or missing devices also require a case-by-case review except when replacing defective or damaged tubes that are returned to the USG on a direct exchange or repair and return basis.

## U.S. foreign military sales broke records in 2020, and may grow more in 2021

If DSCA disagrees with an IA recommendation that a U. As with FMS, DCS are subject to applicable U.

Check out FMS assets available for purchase.

## DSCA Historical Sales Book

When USG responsibilities can be satisfied only with access by USG personnel, a note must be included in the LOA and the agreement. Each MILDEP or DoD Component develops recommendations for FMS-Only designations on specific weapons systems and military technologies considering the criteria in and The MILDEP or DoD Component forwards related recommendations and rationales for adding or removing such FMS-Only systems designations to DSCA Directorate for Security Assistance DSA and DTSA.

## **The FMS process: LORs, P+As, and LOAs**

In both cases, the State Department moved to preapprove those nations to buy high-end American technology, even though the governments had not selected the winner of their respective internal competitions. Does FMS Compete with DCS? In addition to the system itself, other items to consider in a total package include: training, technical assistance, initial support, software, ammunition, follow-on support, etc.

## **Officials Describe How Arms Sales Benefit the U.S., Partners > U.S. Department of Defense > Defense Department News**

Technical Data Packages TDPs for Defense Articles Manufactured by Watervliet Arsenal. However, the DSCA security cooperation mission encompasses much more, including humanitarian disaster relief, international military education and training and institutional capacity building programs that aim to assist partners and strengthen their policies and processes.
