1801

While studying how the frontier experience indelibly stamped the American character,

students should explore its ambivalent aspects: the removal of many Indian nations in the Southeast and old Northwest, acquisition of a large part of Mexico through the Mexican-American War, and abrasive encounters with Native Americans, Mexicans, Chinese immigrants, and others in the West.

### Era 4

By the end of the Roosevelt administration, rebates had practically disappeared and public regulation of railroads was an accepted principle.

### The Age of Reform

Reform and expansion must be an integral part of a common package. These problems were to remain largely unsolved until the widespread acceptance of modern soil conservation techniques many years later.

### Era 4

Historians estimate that as many as one million enslaved people were moved from the eastern United States to the Deep South between 1810 and 1861.

### goal 2 expansion and reform Flashcards

Nations of the world must feel that their stakes in global peace and prosperity are factored into the UN's decision making.

### Expansion and Reform

The United States supported the permanent membership of Japan and India, and a small number of additional non-permanent members. Andrew Jackson was suspicious of the older and wealthy elite who held political power.

### **The Age of Reform**

In the Declaration of this High-Level Meeting, we commit ourselves to instilling new life in the discussions on the Council reform. The whole country was stirred as the two lines steadily approached each other, finally meeting on May 10, 1869, at Promontory Point in Utah.
