Secondly, the attempt must be made to draw together the disjointed and disparate evidence amassed in the previous chapters, so as frame some kind of answer to the central question with which this study concerned — what was. The basic outline of the history of the period was codified in this book, for better and for worse, and much later literature on the subject draws heavily on Snodgrass's Dark Age of Greece.

[PDF] THE DARK AGE OF GREECE AN ARCHAEOLOGICAL SURVEY OF THE ELEVENTH TO THE EIGHTH CENTURIES BC

. The author argues that this era was in truth a dark age, from the perspective both of scholarship and the people who lived through it conscious of it. This volume constructs a narrative of four centuries of Greek history from a synthesis of literary and archaeological evidence, including pottery, burial practices, architecture and metalwork, religion, commerce and language. Our library is the biggest of these that have literally hundreds of thousands of different products represented.
