**076197332x**

It is organized in three sections: approaches to rural studies; rural research: key theoretical co-ordinates and new rural relations.

**076197332x**

In a rich and textured discussion, the Handbook of Rural Studies explains the key moments in which the theorization of culture, nature, politics, agency, and space in rural contexts have transmitted ideas back into wider social science. The book is well produced and includes an excellent index.

## Handbook of Rural Studies (豆瓣)

This book has hardback covers. Written by leading social scientists from many countries, it addresses emerging issues and challenges in innovative and provocative ways to inform future policy.

## Handbook of Rural Studies

Bock , Giorgio Osti and Flaminia Ventura The Impacts of Population Change on Rural Society and Economy, David L. He has published over 50 scholarly articles and written or edited 11 books on rural population and society.
