Orthodox Christianity in the 21st Century

Prokofieff used striking dissonances and Russian themes, and his music was generally witty, bold, and at times colored with humor. The great scholar Zhu Xi synthesized elements of Confucianism, Buddhism, and Daoism.

Major Themes

In the past, the government instituted ordination examinations and state-issued certificates to control the size of the sangha, and twice during the Northern and Southern Kingdoms period the state had suppressed Buddhism in 446 and 574. By the middle of that decade, therefore, we will either all be starving, and fighting wars over resources, or our global food supply will have changed radically.

Resistance of the Indians in the West

Antisemitism and the Holocaust slowed their trajectory of assimilation.

Christianity in the Middle East

Adolescent boys, on the other hand, were not monitored as closely.
