Now one word of caution here! Probably my favourite is Doctor Wars just because of the silliness. Presented in DVD MPEG format, the material complies to the NTSC North American standard.

## Sculpting miniatures in 3D

Pretty easy to do and they look great Making a Miniature Treasure chest I have a tutorial on how to sculpt a treasure chest out of hardening clay and even how to cast duplicates of it. However, none of them had the pleasant, rounded spoon end that mine has.

## MegaHobby

Sherman Tank, Tiger Tank and more. I always encourage people to try. All files including files contained on DVD must be viewed on a computer screen.
