The new narrative is a plural one.

Naozumi Yamamoto

Tora wreaks some havoc in their lives, like getting drunk and silly at a marriage meeting and ruining Sakura's chance to marry someone, as well as just being a real pain to those around him. Looking at present Japan, however it is clear that all Japanese at present do not necessarily preserve the traditional worldview. Afterwards, Otokichi has to remind everyone that his name is now Higashikunibaru.
