**Biological feedback (Book, 1990) [public-docs.talentcoach.ir]**

. First, the visual portrayals: The vast majority of working scientists shown in photographs appear to be light-skinned, and mostly male-presenting. There were times where I would have liked to see a little more technical terminology used in order to get students used to integrating it into their vernacular.

## Biology

For example, there is no reference to CRISPR-cas9 gene editing.

## Feedback

Systems with Positive and Negative Feedback Loops. I have to say I was disappointed in multiple ways. Even if this text was not free, I suspect it would be a better choice because the page-count is more manageable.

## Entanglement for identical particles doesn't follow textbook rules

Grammatical Errors rating: 5 I didn't notice any grammatical errors. The glossary and index are very good.

## Biological Feedback

There is good use of bolding for emphasizing particular text and themes.

## Homeostasis and Control System

The pdf also contains a hyper-linked table of contents.
