**J.C.B. Mohr (P. Siebeck)**

Nwonwu, Francis 2008 Africa Insight. In the long run a democracy which does not ensure adequate social protection is unlikely to survive.

**Agriculture & Food Security**

A survey of sanitation stakeholders was conducted between July 2015 and July 2016 in order to understand the roles played by various stakeholders and challenges they face in FSM. Devereux, Stephen and Naeraa, Trine 1996 Journal of Southern African Studies.

**Agenda 21**

They are also intimately related to employment policies, because most social insurance schemes are financed out of labour incomes and protect against risks related to employment capacity, such as unemployment, sickness, disability and old age. A 2-year integrated agriculture and nutrition and health behavior change communication program targeted to women in Burkina Faso reduces anemia, wasting, and diarrhea in children 3—12.

**SADCC food security strategies: Evolution and role**

Early efforts to sensitize stakeholders and the public on land degradation and desertification continue through Government supported initiatives under various programmes, including the NAP.
