Working Paper on Black and Native Historical Intersections

The initiative puts available habitat data into a common catalog for state, federal and tribal managers who often share jurisdictions and manage resources jointly.

Working Paper on Black and Native Historical Intersections

An estimate for arapaima in the Amazon. As part of the Selected Alternative, Bonneville will continue to mitigate for the effects of its power operational actions.

Northwest Indian Fisheries Commission Annual Report 2019

The State shall evaluate the land to be leased to determine whether a natural shellfish population exists. Many of the Program's broad regional goals are also challenging for the co-lead agencies to consider or apply given that the goals are affected by many factors outside of the co-lead agencies' control or responsibility while the Program's mitigation measures are narrowly focused almost exclusively on the FCRPS and mitigation funded or implemented by Bonneville, the Corps and Reclamation.

Working Paper on Black and Native Historical Intersections

Worldwide media caught on to the story of the threatened population last summer when a mother orca named Tahlequah, or J35, carried the body of her dead newborn calf around the Salish Sea for 17 days. What was the extent of Black involvement in the wars against Indian people? Breaking the Iron Bonds: Indian Control of Energy Development.

The ten steps to responsible Inland fisheries in practice: reflections from diverse regional case studies around the globe

Management of Murray Cod in the Murray-Darling Basin: Statement, Recommendations and Supporting Papers. Jane Rhodes, *Framing the Black Panthers: the Spectacular Rise of a Black Power Icon* Champaign, IL: University of Illinois Press, 2017. Individual tribes focus on local priorities to reach the full productivity potential of their watersheds.

United States v. State of Wash., 898 F. Supp. 1453 (W.D. Wash. 1995) :: Justia

The objection must state the reasons for the objection, the data on which it is based, and any other pertinent information available to the objecting party.

Recommendations to the Obama Administration and the 111th Congress

The sharing of shellfish shall take into account all commercial and non-commercial harvests from the sustainable biomass of shellfish.

United States v. State of Wash., 898 F. Supp. 1453 (W.D. Wash. 1995) :: Justia

Sarah Wilson, also in Fort Gibson, Oklahoma in 1937, described herself as a former Cherokee slave as well as a Cherokee freedwoman. It recognizes a substantive federal duty to protect treaty rights, lands, and resources retained by Indian tribes.
