States became known, even more than before, as a place where people could find both freedom from persecution and material opportunity. From 1855 - 1890, Castle Garden was America's first official immigration center.

### Italy Emigration and Immigration • FamilySearch

In what is now the United States, friars of the Regular Observance were active in: La Florida Franciscans arrived in 1573, establishing a chain of missions among the indigenous peoples, moving up the coast into what is now Georgia. And in recent years, immigration judges have declared that people fleeing attacks based on their gender or sexual orientation should also qualify for asylum status in the United States. And this last fact is what brings me to our subject.

High concentrations are found in Montevideo and the city of Paysandú, where almost 65% of the population is of Italian origin. It is a curious fact that the history of supplies a number of names which have led some investigators to claim that the or of Italian origin fixed their homes there at a very early. As Italian Americans rediscover Italy and their immigrant ancestors, new immigrants from across the globe are continually arriving in America.

### **America's Immigration Amnesia**

Her mother, lacking a radio, would put her daughter on the bus to Pittsburg in search of news. Many faces in our families bear the mark of North Africa. Their reasons for leaving and for choosing California varied.
