Public Opinion and Health Reform

Real labor markets work informally, and the power of the market should be utilized to make the guest worker program function efficiently. Perhaps it is not so surprising that the Statue of Liberty has become the pre-eminent national symbol of the United States Kasinitz 2004: 279.

Several reforms can be made to alleviate these backlogs and reduce the time these highly sought-after professionals must currently wait to receive permanent status, including: increasing annual limits on green cards; eliminating per-country limits on green cards; allowing temporary workers to remain in the United States if caught in the backlog; exempting family members from the 140,000 cap; and exempting those with special skills.

Immigration in the United States: New Economic, Social, Political Landscapes with Legislative Reform on the Horizon

This is entirely appropriate—and necessary.

The U.S. Immigration Debate

Rather, when people indicate costs as a problem, they are referring to the costs they pay out-of-pocket, especially for prescription drugs.
