Furthermore, the period of time between the FTA of 1989 and NAFTA of 1992 was far too short for the impact of the FTA to be determined, especially because it was to be phased in over 10 years.

## The British Commonwealth and Empire

Research creation and deployment are of growing importance in the drawn-out contest of trade negotiations where competing agendas are at stake. But both thinking and policies are heavily influenced by powerful interest groups, themselves shaped by the consequences of policy. With more interactive conceptions of policy, such as those concerned with negotiations and the inclusion or exclusion of stakeholders, it may be difficult for researchers to distinguish whether any aspects of policy have changed.

## The British Commonwealth and Empire

As long as it offers an understanding and interpretation of the data and the situation that are critical to the policy decision, research may lead to a gradual shift in concepts and paradigms. At the provincial level, human rights are protected by the Charter and by provincial human rights

legislation.
