### History Articles About The Tudors and The Tudor Era

The essential difference between the Tudors and their predecessors, is the nationalization and integration of's ideas to the , holding onto the alignment of and , in which Anne's brethren were in alliance to her husband's Wycliffite countrymen against the.

#### The Tudors

Collected by Sir Simonds d'Ewes, knight and baronet of Stow Hall in Suffolk. However, her chief minister Sir had corresponded with the Protestant , great-grandson of , and James's succession to the English throne was unopposed. But in his early life Henry was considered to be quite a looker, and he was actually just as womanizing as he is portrayed to be on The Tudors.

#### The Tudors: 5 Things That Are Historically Accurate (And 5 Things That Are Aren't)

There are four seasons in all, beginning with King Henry starting to feel unhappy with his current marriage to to the tough decision of who will be his successor after his death; his romance with would not yield a simple answer to that decision, but instead transform England forever over the course of the next few seasons - to the alarm of his best friend, , Duke of Suffolk. To get to the heart of a story you have to go back to the beginning. This rumour was just one of many that swirled around the two's long-standing friendship.

#### Tudor

Her sister Mary's marriage to Philip brought great contempt to the country, for many of her subjects despised Spain and Philip and feared that he would try to take complete control. It's true that Catherine was just a teenager when she married Henry, and it's true that she committed treason by having an affair with Thomas Culpeper, but when Catherine married Henry he was already much older and heavier than he is portrayed as in The Tudors. In total, the Tudor monarchs ruled their domains for just over a century.

### History Articles About The Tudors and The Tudor Era

Also, without an heir, the Tudor line would end; the risk of civil war between rival claimants was a possibility if Elizabeth died childless. Owen Tudor took it as a surname on being knighted.
