## Ages and Stages: Encouraging Exploration in Young Children

Evaluate and Check Students' Comprehension Finally, the teacher shall evaluate the effectiveness of the role play activities and check if students have successfully comprehended the meanings of the vocabulary, sentences and dialogs. Spur curiosity with food-tasting parties.

## Promoting Young Children's Social and Emotional Health

Each team scores a point for each correct answer. Create a chart listing all students, and give recognition to those who ask questions in class. Instructors should be flexible to adopt changes in their teaching practices after understanding the experiences of students in order to develop an effective learning forum.

## Role Playing

Curious Fours Many fours enjoy diving right in, then sharing their findings with others. ELT Journal, 48 4 , 337-346.

## Role Playing

A Guidance Approach for the Encouraging Classroom, 4th ed. As with the benefits, the issues are listed here as characteristic of either role plays or simulations; however, some apply to both forms.

## Role Playing

The future of simulation in health care. And, like power tools, they can be dangerous. Moreover, the minds of the learners are complex and have a heterogeneous nature and therefore, an effective classroom should consider the constructivist perspective of learning.
