## Ireland and Brexit

In 2011, a Peace Bridge was built over the River Foyle to better link the predominantly Catholic west bank to the majority Protestant population in the east. If they had to check everything, that would be a crazy thing. And, given the response from across the globe, perhaps Brexit could prove a blessing.

## Fines for non

A year later, Robin and Maureen Hanna and their son, David, six, died in an IRA explosion after crossing the border.

## Fines for non

Woe betide the Irish sheep that sets a hoof over the border and vice versa.

## Crossing the Irish border: what you need to know!

Agreements in place between the UK and Irish governments mean there are currently places for 385 cancer patients coming across the border. The economies are tightly intertwined.

## Brexit and its Consequences for Ireland

There are pressing questions about students. Henceforth, Irish MPs will only sit in Westminster.

## The history of the Irish Border: From Plantation to Brexit

He also warns that the British will fight any attempts by the Irish to separate in the same way the Union fought the Confederates in the American

Civil War. They have come through partition and war and the Troubles.

### **Trade across the Irish border**

Lines, grievances, identities could begin to soften.
