**Genealogy of the Vampires
in the World of Darkness**

This is the list of 2615 known vampires. Of course, all this is listed in White Wolf's books. Feel free to consider this file as a list of what they want to believe... Your Storyteller may or should have his own views on the matter. I added some information from the White Wolf sources that can be found on the web. These are in [direct links](#). The acronyms used to make references to the books can be seen on [this site](#).

This site may help you to determine a date and location of death, which in turn will make it possible for you to order your ancestor's death certificate. This information was converted from other formats and, despite good intentions, may contain errors or omissions. All of our Relations of the Name of Boone, who were living after 1785 October 10, are American born, as far as we know.
