Teachers treat these students based on a stereotype and often do not differentiate instruction to include these students in the overall daily activities of the class. Organizations, including governments, change their guidelines, planning and policies, for example to integrate devalued people into standard employment Wolfensberger, 1998, p.

reasons, to rename the principle and push even further its relationship to role theory.

Social Role Valorization » SRV

The practice and theory of NVA will be outlined here, followed by preliminary comments on how SRV and NVA can be linked. In summary, NVA and SRV have synergies both as theories and as practices, with each having potential benefits for the other. Using PASS or PASSING would undoubtedly have quickly led us to a dead end.

Social Role Valorization and the English Experience, British Journal of Learning Disabilities

· If such positive roles are supported and defended, and further positive roles are sought and achieved, then the devalued person will be more likely to achieve more of · The Good Things in Life · And Avoid: The Wounds and other Negative Effects Secondary to Devaluation.
