Almanacs, Yearbooks, Statistics

As used here, the term also covers some territorial entities that are not states. Selected series, including data on IMF accounts, international reserves, and international trade, are drawn from the country tables and published in world tables as well.

General Sources: World Coverage

Many countries publish statistical yearbooks or maintain websites for a national statistical agency.

Printed Resources :: Library Online 2.0

What's New The IMF has released end-2019 results of the Coordinated Direct Investment Survey CDIS. Dependent territories of member countries are listed alphabetically followed by a description of the constitutional relationships with their member countries. Countries may report monthly, quarterly, semiannual, or annual FSIs for dissemination.

Almanacs, Yearbooks, Statistics

Abstract This 2018 yearbook issue of International Financial Statistics IFS is a standard source of statistics on all aspects of international and domestic finance. Amounts due from member countries that are six or more months overdue. Older editions 1960-2007 in the Main Library Stacks: JN1.

Almanacs, Yearbooks, Statistics

Abstract This monthly issue of International Financial Statistics IFS contains country tables for most IMF members, as well as for Anguilla, Aruba,

the Central African Economic and Monetary Community, CuraÃ§ao, the currency union of CuraÃ§ao and Sint Maarten, the Eastern Caribbean Currency Union, the euro area, Montserrat, the former Netherlands Antilles, Sint Maarten, the West African Economic Monetary Union, West Bank and Gaza, and some non-sovereign territorial entities for which statistics are provided internationally on a separate basis. Includes some statistics, information on political parties and political structure, and media information. It identifies main changes in BPM6 on which methodological advice and recording treatment will be provided in the Updated External Debt Statistics Guide 2013.
