Liturgy of the Eucharist

Hail the sacrament most holy, Flesh and Blood of Christ adore! That stone is Jesus who founds the Catholic Church at the time of the Romans that becomes a great mountain and fills the whole earth.

Lesson 22: The Sacrament of the Holy Eucharist (Holy Communion)

And as the union between Christ and us in baptism is spiritual. One of the most significant changes that were made following Vatican II was to again have the priest facing the people, enabling the congregation to feel they are participating more fully in the Eucharist, and the altar again became a free-standing table instead of a bench against the wall. Jesus lives the fundamental DNA of a Christian: He lives a deep friendship with God in prayer, then he goes out through authentic friendship to the home of Martha, Mary and Lazarus where they spend time in good

conversation, and they share life together.
