## Disney Is Quietly Placing Classic Fox Movies Into Its Vault

That is not an idle chauvinistic boast. The theatre is a mass market. A Opera, it has since been revived on numerous occasions in Sydney, Melbourne, Perth and Brisbane and to my knowledge, remains — 18 years and counting, the ONLY production of this bog-standard mainstream work to have been produced in Australia.

Research by Equity and the in the late 1990s discovered that about half of UK actors are now choosing not to work in regional subsidised theatres.

## INCREASE OF VALUE ADDED TAX (Hansard, 18 July 1979)

Members will agree that the argument is overwhelming and I do not imagine that the Minister of State can reject the amendment.

He said the issue today is often not the one that Kushner and Eustis faced — whether to extend a drama into its fifth or sixth hour — but whether telling a story that requires a fifth or sixth actor will make budget-conscious producers allergic. The pantomime is now lauded across London as one of the best. In return it makes the actor a better person and performer because they don't always live in a world of pretend or where they are living the vagabond life searching for their next job.
