## Division of Animal Resources

Assisting in the continued advancement of scientific knowledge for the benefit of mankind and abiding by the ethical principles of humane animal care and good science in accordance with all regulatory agencies. Public Health Service Welcome to Animal Resources OSU has an animal care and use program that provides a humane and compliant environment for all animals involved in research, teaching and testing activities.

## Service Animal Resource Hub

Contact 311 to make a report or file a complaint. You may fill out the ahead of time or at the shelter or stop in to speak to one of us first. Ask your neighbors to search anywhere your pet might be missing on their property.

## Research Animal Resources

We would like to provide the best service to our customers and the highest level of humane animal care.

## Lab Animal Resources A research center of the Office of the Vice Provost for Research, Indiana University Bloomington: Indiana University Bloomington

Please call 235-5966 to schedule. What if we could breed humans for food and treat them really well before we killed them? We appreciate your patience, understanding and cooperation Pet Adoption Visit the Animal Resource Center to meet your new best friend! Dog fighting is illegal because we care about the suffering of dogs, not because dogs suffer more than other animals.
