### Entomological warfare

What a terrible precedent, and not healthy for their bottom line I suspect. When the shrinking of the Terrigen Cloud threatens to render Earth inhospitable for mutants, Emma Frost, Magneto, and Storm make plans to destroy the Terrigen Cloud.

### Entomological warfare

She left behind her dog , who had the ability to teleport the Fantastic Four to Atillan.

### Black Bolt

Although cast, it still needed to be pressed and coated, which would take until 16 August.
