Money for Art: The Tangled Web of Art and Politics in American Democracy by David A. Smith

An excellent and clarifying contribution to an issue that generally receives more obfuscation than insight.

Controversial Art

Smith uses this clash between funding and freedom of speech as a prism through which to view the broad disagreement in America over the meaning, purpose, and place of art in a democracy. In Money for Art, David Smith traces the history of government funding of the arts in America, with emphasis on developments since the founding of the National Endowment of the Arts in 1965.

David A. Smith: Biography and Latest Articles

He has been featured on NPR's Morning Edition, the Mars Hill Audio Journal, The Jim Bohannon Show, and numerous other national and regional radio shows. Like New: A book that looks new but has been read.

Money for Art The Tangled Web of Art and Politics in American Democracy (9781566637688) by David A. Smith

LoveReading4Schools is here to help! But is this assertion true? But this concept is fraught with potential difficulties that touch upon basic tensions between individual creativity and community standards.

Money for Art: The Tangled Web of Art and Politics in American Democracy by David A. Smith

An excellent and clarifying contribution to an issue that generally receives more obfuscation than insight. Smith traces the NEA's crisis back to ambiguities about its mission at the time of its founding in 1965. And everybody wants children to love reading for pleasure.

Money for Art The Tangled Web of Art and Politics in American Democracy (9781566637688) by David A. Smith

Smith received an undergraduate degree from Texas State University in San Marcos, and a Ph. May be very minimal identifying marks on the inside cover.
