Thanks for the welcome and thanks for jumping in! Miss Universe is not a runway model. Our goal is to provide you with great service and reliable support.

## On Stage America

I can check that off my list.

## On Stage Dance Studio

Your last example is a good, clear one of a how stage directions , but I could not definitively say that all of the examples above were wheres and not hows. Just follow the link, sign up and put in your information. A better daughter, teammate and friend! CastMe is an online resume system developed by MPO to make it easier to have your info available for auditions and volunteering.

I guess what my colleague and I were having trouble with was formulating some solid examples of adverbial use so that we could see the difference between that and the prepositional phrase. To be an adjective or adverb, it would probably be performing one of those actions. Sign up with our CastMe system and let us know who you are.
