SearchWorks

The Classify prototype helps librarians apply classification numbers to resources in library collections. To learn more about FAST, please visit the on OCLC.

OCLC Classify

The database is searchable by many of the standard numbers associated with books, magazines, journals, and music and video recordings. Your local library may be able to help you gain access to a resource found through Classify and WorldCat. ISBN An ISBN is a unique number assigned to an item by its publisher.

SearchWorks

The Classify prototype is designed to help users apply classification numbers. Thirteen-digit ISBNs must begin with either 978 or 979. FAST headings provide additional subject information about a work and enable you to search the Classify database by subject.
