## **1908 The Story of Red Feather a Tale of the American Frontier Book by : SS Moore Antiques**

Nat Trumbull was disappointed because of his failure to locate Tall Bear and his band. The latter was dumbfounded, for the first glance at his face showed that he was the chieftain Red Feather, the Indian whom of all others he least expected to see.

The Sioux declined at first, but yielded, and the remaining bread and milk furnished them a grateful and nourishing repast.

### **Edward Sylvester Ellis (Ellis, Edward Sylvester, 1840**

The Sioux grouped around the house were not the only ones by any means that were engaged on this memorable raid in Southern Minnesota, and it was not impossible that a party of friends were in sight. Melville, therefore, was right in his first suspicion, though he was too thoughtful to say so. This theory helped to explain what took place after the release of Red Feather from his odd imprisonment.

Trumbull turned this uncertainty to his own advantage. She was safe so long as she remained thus, since, though a bullet fired through any one of the windows must cross the room, it would pass above the bed, missing her by several feet. It was easy to do this by keeping close to the water, since the unevenness of the ground did not begin until a few yards or rods from the bank.
