**Podcast of Stanford lecture series  
offers a survey of religious  
perspectives on war and peace**

By the end of Frost's twenty page introduction my copy was marked with indicators of excitement Journal Quaker History — Friends Historical Association Published: Apr 4, 2005 APA Hunter, C.

Filesize: 51.25 MB

**public-docs.talentcoach.ir: A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace: A Century of Wars (Studies in Religion and Society) (9780773465633): Frost, J. William: Books**

I recommend that every library consider purchasing it. Religious studies Professor Emeritus took a multi-religious approach to the topic, speaking about the story of Cain and Abel across the Jewish, Christian and Muslim religions. Here he compiles perspectives from the major world religions on war and peace for general readers who are not specialists in the history of religions, the evolution of wars, the relationship between the two, but are interested in how faith communities in the past dealt with issues similar to those in effect now.

**public-docs.talentcoach.ir: History of Christian, Jewish, Hindu, Buddhist, and Muslim, Perspectives on War and Peace: The Bible to 1914 (Studies in Religion and Society) (9780773465619): Frost, J. William: Books**

I recommend that every library consider purchasing it. Other chapters, such as those on the creation of Israel and the wars against Iraq, were interesting as a fresh and comprehensive presentation of topics that we have heard about in bits and pieces. AngeliEarlham School of Religion A

History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace.

**public-docs.talentcoach.ir: History of Christian, Jewish, Hindu, Buddhist, and Muslim, Perspectives on War and Peace: The Bible to 1914 (Studies in Religion and Society) (9780773465619): Frost, J. William: Books**

The two volumes are paged together, and the index and bibliography for both are contained in each.

A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace review.

**A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace (review), Quaker History**

As one can deduce from the title alone, the book is breathtaking in its scope and promises.

**public-docs.talentcoach.ir: A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace: A Century of Wars (Studies in Religion and Society) (9780773465633): Frost, J. William: Books**

From a discussion of the pacifist traditions of Quakerism given by computer science Professor to a look at religious perspectives on capital punishment given by of the Stanford Law School and , the dean of religious life, the diverse subjects of the lectures are connected by a number of unifying threads. While approaches emphasizing politics and economics are obviously important, Hess said they are likely to leave out other important matters typically taken up in the humanities — for example, ethics, rhetoric, literature, the arts and performances. Hess pointed out that every religion seems to start out prohibiting killing, yet religious realists observe that you cannot live in this world without killing.

**public-docs.talentcoach.ir: A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace: A Century of Wars (Studies in Religion and Society) (9780773465633): Frost, J. William: Books**

The chapters on Hinduism and Buddhism, for example, with their relationship to the state, were news to me. In a recent lecture, religious studies Senior Lecturer said that despite the clear framing narrative of war, some Hindus have interpreted the text as a lesson in spiritual nonviolence, while others have seen it as a justification of large-scale war.
