Country notes Summary of main institutional rules and respective changes, data and news sources, references, coding comments, open questions and remaining tasks.

ParlGov · parties, elections, cabinets

A handbook of Australian government and politics, 1890-1964. It is therefore somewhat less ideologically bound than many other parties, leaving it free to seek coalition partners without being constrained by left-right considerations.

ParlGov · parties, elections, cabinets

British Political Facts 10th ed.

The Evolution of Economic And Innovation Systems / TavazSearch

As political parties that are in competition with one another end up working together, it arguably reduces aggressive, oppositional electioneering, and fosters collaboration.

The Evolution of Electoral and Party Systems in the Nordic Countries

In The evolution of electoral and party systems in the Nordic countries. On the other hand, it is difficult for voters to fully trust election pledges, when they may have to be altered due to political horse-trading. In The evolution of electoral and party systems in the Nordic countries.

The Nordic Voter: Myths of Exceptionalism

Encyclopedia of British and Irish Political Organizations: Parties, Groups and Movements of the 20th Century. Many political scientists in English-speaking countries tend to think of Proportional Representation in terms of the underlying concepts of proportionality and examples that institutionalize it in relative pure form, such as Israel.
