This book may include remainder marks. Returns Policy All orders are thoroughly checked at the point of listing and before leaving our premises. Many veterans opposed the war upon returning from its brutality, some of the books give their accounts.

## **Telltale hearts : the origins and impact of the Vietnam antiwar movement (Book, 1995) [public-docs.talentcoach.ir]**

The majority of Americans approved of the war when it first took root, but support started to fade as it dragged on. . All the data we have from the time, and since, show that the obscenity, illegality, and raging anti-patriotism of the antiwar protesters made them the most hated group in America during the late 1960s and early 1970s.
