### Easy Mountain Walks in the Lake District

Want to experience the Kentmere Valley without going up all the hills? Please play your part in the process, too: where a footpath exists, stick to it, rather than its fringe, walking single file if necessary. You can read about where I did this hike here. The walk starts from Ambleside town centre.

### Lake District walks FREE to download & print

You may find an ice cream truck here if you are lucky! Looking across Wast Water to Yewbarrow, Great Gable and Lingmell I have been visiting the Lake District for many years now and I never tire of it. Styhead and Sprinkling Tarns 6.

### The 25 Best Walks in the Lake District

From the road, there is parking both sides at White Moss walks car park automatic registration detection that you pay on departure. Even on the busiest weekends it is possible to get away from the crowds by carefully selecting one of the less-visited fells.

### Walk the Lakes: 40 easy walks by Parker, John: Fine SPIRAL

Duration will always be a moot point, with plenty of variables in play: fit, experienced walkers in spring sunshine will cover the same ground much quicker than novices in mist and rain. However, in my opinion, this route is the best bit of the walk starting at Pass near the Slate Quarry.

### The Complete Guide to the Waterfalls of the Lake District

This is one of the largest surviving Roman structures in England, measuring about 15 metres by 30 metres, with walls 4 metres high. As a place to explore on foot, it is unique.

### 9 Lake District Mountain Walks For Beginners

Alfred Wainwright During this walk we will enjoy mountain and lake views, rivers and waterfalls. There are plenty of benches to stop and soak it up along the way.

## **Walks from Ambleside**

Check out on Who are Walk My World? Or you can check out my shop for. From White Moss Car Park you make your way up through the woods. For a little more effort an even better view can be enjoyed by descending to the base of the falls and crossing over the beck to the far side.

## **The Best 18 Walks in The Lake District to walk in the Rain or Snow**

Catbells, Dale Head and Robinson. The sublime glories of the Lake District await — let this book be your companion. A good climb, with a variety of routes up and down.
