Today in psychedelic history (04/17)

Residents of Dutchess County grew ever more suspicious. Formed in 1966, the Boohos claimed that their use of LSD

Filesize: 38.57 MB

was sacramental, similar to the peyote rituals practiced by Indians of the Native American Church, and should therefore be protected under law.

Erowid Art Kleps Vault

Police set up roadblocks around the premises, and anyone who wanted to enter the estate had to be strip searched. Kleps ceased employment with Lynchburg Training School, reportedly being fired in 1964 for writing a pro-marijuana paper.

Neo

Quote: But as the months passed, Millbrook started to lose its scientific bearings, the scene growing wilder and wilder as word got out to colleges

dotting the East Coast. Before he even rubbed the sleep out of his eyes, Kleps downed the brandy.

Today in psychedelic history (04/17)

. From that point onward, Millbrook was under constant surveillance.

The Boo Hoo bible (1971 edition)

This is the way the country started. . There'd be a religious civil war.
