His bride is 24 years old and either his uncle's or his father's granddaughter depending on which of the brothers Georg or Nepomuk was Alois's biological father , thus either Alois's second cousin or niece. No prisoner of war may be employed at labors for which he is physically unfit. Whose message was it that you were delivering? You will take no action that would tend to support basic living standards in Germany on a higher level than that existing in any one of the neighboring United Nations and you will take appropriate measures to ensure that basic living standards of the German people are not higher than those existing in any one of the neighboring United Nations when such measures will contribute to raising the standards of any such nation.

America and the Holocaust

Upon the outbreak of hostilities, the belligerents shall, by common agreement, fix the maximum amount of ready money which prisoners of war of

various ranks and classes shall be allowed to keep in their possession. Yet every custom has its origin in some single act, and every agreement has to be initiated by the action of some state. Those familiar with American history know that one of the compelling reasons for adoption of our constitution was that the laws of the Confederation, which operated only on constituent states, were found ineffective to maintain order among them.

We will show you these concentration camps in motion pictures, just as the Allied armies found them when they arrived, and the measures General Eisenhower had to take to clean them up. Now it turns out that Privy Councillor Gruendherr states that the second instalment can be made available only after eight days.

To assist in carrying out this policy you will make a survey of combines and pools, mergers, holding companies and interlocking directorates and communicate the results, together with recommendations, to your government through the Joint Chiefs of Staff. Criminal and ordinary police will be purged of Nazi personnel and utilized under the control and supervision of the military government. All legislative and executive power is in the hands of the head of the State.
