**Ontario Genealogy Historical Newspaper Database**

The line between the counties and regions of the south and the districts of the north can be considered a boundary between Southern and Northern Ontario. Southern Ontario was where a large portion of the battles took place during the , and was a major destination for escaping slaves using the.

**Geological Survey of Canada Series**

They staked claims they hoped would be abundant in mineral deposits. . The highway passes through very few towns along its 160 km route.

**ATV Trails In Ontario**

A great place for a family outing. Not so much as a dilapidated shack remains, which might at least have given the village ghost town status.

**County of Hastings GIS**

Margarets Anglican Church was erected in 1887, but all that remains today are the front steps leading to a monument indicating the congregation worshipped here faithfully for over seventy years.

**Geological map of portions of Hastings, Haliburton and Peterborough Counties, Province of Ontario**
