O'Callaghan frequently jumps back and forth between the many crusades, successfully managing to completely lose the reader in the weeds.

Middle Ages for Kids: Reconquista and Islam in Spain

O'Callaghan tends to machine-gun names, dates and places at the naive reader without providing any relevant context. The story of Spain is an interesting one, but the telling of it fell short here, in my opinion. Though the beginning of the Reconquista is traditionally dated to about 718, when the Christian forces opposed the Moors at the Battle of Covadonga, the impulse toward reconquest was expressed only sporadically through the first three centuries of Muslim rule. The peninsular Christians had spent 400 years fighting Muslims but finally were successful.

How are the Crusades and the Reconquista related?

It lasted for a good portion of the Middle Ages from 718 to 1492. In the Levant the Crusader kingdoms fell after a couple hundred years. Over the next seven years they advanced into Europe and controlled the majority of the peninsula.

. The Expulsion of the Moriscos Spanish: *Expulsión de los moriscos*, Catalan: *Expulsió dels moriscos* was decreed by King Philip III of Spain on April 9, 1609. The factors that led to the failure of the Crusades include the unskilled nature of the crusaders forces, which were not able to counter the war techniques of the Muslims.
