### Archaeology : discovering our past : Sharer, Robert J : Free Download, Borrow, and Streaming : Internet Archive

Mountain View: Mayfield Publishing, 1988. The main argument of the New Archaeology proponents was that, with the application of a solid scientific method, we may break free from the limitations of the physical remains of the study of the archaeological record and come to understand the lives of the people who interacted with them every day.

### Archaeology : Discovering Our Past by Wendy Ashmore and Robert J. Sharer (2002, Hardcover, Revised edition) for sale online

Innovators of their time, Charles Darwin and Alfred Russel Wallace, used science to explain where humans came from, posing the theory of evolution.

### Discovering Our Past: A Brief Introduction to Archaeology by Wendy Ashmore

Students will first explore, from an anthropological perspective, the character of modern cities. Sharer, an Internationally renowned archaeologist and Mesoamerican scholar, was the Emeritus Curator, American Section, Penn Museum, and the Emeritus Sally and Alvin Shoemaker Professor in Anthropology, University of Pennsylvania, having officially retired in 2009. Tuition fees are indexed annually.
