, and drives the educational philosophy behind most recent teaching and learning frameworks. Make this chart applicable to older students by expanding on each aspect with a specific audience or goal.

Understanding and Teaching Writing: Guiding Principles

This anchor chart will help your young writers understand the difference between inside and outside characteristics.

Primary Literacy Teaching Toolkit explained

American Educational Research Journal, 43, 295-340. Writing samples also should be assessed across a variety of purposes for writing to give a complete picture of a student's writing performance across different text structures and genres. The role of grammar in the writing curriculum: A review of the literature.

6. Approaches to Writing Instruction in Elementary Classrooms

Not a decorative beam, but a weight-bearing wall. As a beginning teacher, do not think that you must spend hours and hours planning so that all lessons fall underneath the umbrella of a unit plan. It seems like we could share this info, save each other some work, and curate a great collection of mentor text for English Language Arts teachers.
