Seven Habits of Highly Ineffective People

Habit 4: Bully All too often bullying creeps into the workplace.

PPT

But take this challenge to a qualified therapist and work through your difficulties with him or her.

7 new habits of highly ineffective business people, thanks to coronavirus sheltering at home

For sure, getting defensive when criticized, over exaggerating the significance of a event, not taking responsibility for their results in life, and are poor problem solvers could be added.

Overcoming the 7 habits of highly ineffective people

Take a second to think about how it can be received by other people, then change the approach as needed.

7 Habits of Highly Ineffective People

Checking email is addictive in the same way gambling is.
