They show a strong sense of Christian symbolism and ethical concern for being a white person in a colonial state. In the two cases we will examine it and can update this in this library just as soon as possible! Readers are fascinated by the artistic alchemy by which the artist transforms life into fiction, and nowhere is this metamorphosis clearer than in the metafictional *kunstlerroman*. But writing casts a long shadow over the rituals of passage in this novel, for Morag Gunn is a novelist, like Laurence.
