Once ten percent of a rebellious state's prewar voting population had taken an oath of loyalty, then civil government could be restored. The Trump Administration must act immediately to make available additional Department of Defense resources for search-and-rescue operations, law enforcement and transportation needs. And would the government succeed in creating a new Mexican citizen who would foreswear regional and religious allegiances in order to serve the new national state? She spoke with march organizers, and senators, long-time activists, and newcomers across political movements to find out the best ways to listen to those who have been doing this for a while, join in, and create sustainable action.
