Portugal: a moral dilemma « A year of reading the world

So to answer your question, yes, doubt is very much a feature of my working day, and an essential one at that. In person, Jull Costa presents a mix of boldness and decorum similar to her translations. Machado was the founding president of the Brazilian Academy of Letters and, more importantly, is widely considered to be the foremost author of prose fiction in nineteenth-century Latin America, if not of all epochs.
