## Hypatia, or: New Foes with an Old Face

I would have swept every Christian dog out of Africa within the year. But if you think it worth the trouble—which I do not—I shall have to go to the synagogue on business in a week or so, and then I would ask some of the Rabbis. The old woman, who, in virtue of her profession, had the private entry of all fashionable chambers in Alexandria, came in hurriedly; and instead of seating herself as usual, for a gossip, remained standing, and motioned the boy out of the room.

It has to represent a very hideous, though a very great, age; one of those critical and cardinal eras in the history of the human race, in which virtues and vices manifest themselves side by side—even, at times, in the same person—with the most startling openness and power. He stared down on the rocky floors.

## Hypatia; or, New foes with an old face : Kingsley, Charles, 1819

What could a poor human being do more than try to marry her to some one else, in hopes of sickening himself of the whole matter? True; but, he wished to convert the world. .
