## Royal Army Medical Corps Muniments Collection

Adam Taylor, Lancaster University for submitting his report following his participation at the 2017 Osteoarthritis Research Society International World Congress OARSI , Las Vegas from 27-30 April 2017, with support from a Symington Award; Dr Barbara Jennings, University of East Anglia Medical School for submitting a report on the Society-supported Departmental Seminar held 17 February 2017. Of the remaining 72 referrals, 33 were deemed suitable and had consent provided, resulting in 20 hearts being harvested with two being transported to the UK, while 25 double lung transplants and 6 single lung transplants were facilitated.

## News Archive

Last week, the United Nations issued a policy brief on the impact of COVID 19 on older persons globally. We have known for centuries about the toxic properties of lead, and we have known since at least 1876 that birds die of lead poisoning when they eat lead gunshot which they do, thinking its grit. The SSRA 2020 Committee can be contacted by email here: Major Milestone in Cystic Fibrosis Treatment Mon, 4 November 19 16:16 A major milestone in the treatment of patients with cystic fibrosis has been reported with the publication of two Phase III clinical trials evaluating a triple-drug combination therapy for the life-threatening condition which has particular relevance in Ireland.

## GtR

As Dr Thomas Cheney of the Open University and Prof Jill Stuart of the LSE describe, the Accords have been greeted in certain quarters with some discord. PRECISION OF MEASUREMENT OF CEREBRAL TISSUE OXYGENATION INDEX USING NEAR-INFRARED SPECTROSCOPY IN NEWBORN INFANTS L C Soerensen<sup>1</sup>, G Greisen<sup>2</sup> 1 Department of Pediatrics, Copenhagen University Hospital, Hvidovre, Denmark, 2Department of Neonatology, National University Hospital; Rigshospitalet, Copenhagen, Denmark Background and Aims:

Quantification of the cerebral oxygenation in intensive care is relevant. And its existing ExpeRimental series of short films for parents are already available online.

## **Graduate Studies**

The absence of a Northern Ireland disability strategy is a real concern.
