What It Was Really Like To Attend A Play At Shakespeare's Globe Theater

There may have been no clear distinction between playhouses and buildings for such sports, for we know that the Hope was used for both plays and baiting and that Philip Henslowe, owner of the Rose and, later, partner in the ownership of the Fortune, was also a partner in a monopoly on baiting.

The Globe Theatre The Puritan reaction against the stage was such that the players had to set up theatres outside the London city limits on the south side of the Thames, but attending plays remained popular among non-Puritans. They were acted out in the yards of bawdy inns and in the great halls of the London inns of court. It was frowned upon by Puritan authorities, who were worried that it might distract people from their religious teachings.

Shakespeare's Theater

Because sumptuary laws restricted what a person could wear according to their class, actors were licensed to wear clothing above their station. Shakespeare seems to have attracted the attention of the young, and to this nobleman were dedicated his first published poems, Venus and Adonis and The Rape of Lucrece. It is true that adolescent boy actors played female roles, and the performances were held in the afternoon because there was no artificial light.
